

PRICE IS RIGHT LIVE – FAQ

How will the registration process work?

Registration takes place day of show, prior to each performance. Beginning 3 hours before showtime, each eligible person who would like the opportunity to be selected to play will provide their first and last name and day of birth (0-31) to producers via registration cards which are given to eligible patrons by Venue staff.

There is no ticket purchase required to register to be a contestant, and will not be considered a factor in determining eligible contestants or in the contestant selection process. Registration closes precisely at the scheduled showtime. You must be 18 or over to Register to play. Anyone can purchase a ticket to see the show.

Registration process for venue:

Card Distribution for registration: One note card will be given to each eligible person to fill out by venue staff. Registration is to begin 3 hours prior to showtime. For ticket holders, registration cards are given out as they present their ticket upon entering venue. Each ticket is good for only one card, in the same manner that it is only good for one admission. For non- ticket holders who make it known that they wish to register (No Purchase Necessary), cards and pencils are made available and collected at the Venue box office, one per person. A hand stamp (provided by Producers) is used to indicate that person has received registration card. A waiting area (to be determined per venue) is provided for patrons who wish to register but do not have admission tickets . This area will only be needed until after names are randomly selected and cross referenced with individuals waiting. Anyone selected from these individuals will be invited into an open seat. Everyone else in the waiting area will be sent home.

Card Collection: Guests drop their cards into designated bins, and Producer collects the cards to conduct the random drawing. If needed, additional collection bins may placed strategically inside venue.

Random Drawing Selection: All contestants names are randomly drawn prior to start of show. If person selected as contestant is a non-ticket holder, they will be brought inside the venue by producers to await their turn as contestant. Non-ticket holders not selected as contestants will need to leave the venue or purchase a ticket to see the show.

Will people be able to register before the night of the show? Unfortunately not. All registration will open 3 hours prior to each show. People are

encouraged to get there early to avoid lineups. Registration will remain open until the posted show time.

Will people be able to register more than one person at a time? All contestants must register themselves. People will not be permitted to register additional people.

What is the procedure for someone who shows up to register but does not have a ticket? By law, everyone who shows up and is qualified to register must be allowed to do so and have equal opportunity to be called down to be a contestant. If an individual registers and DOES NOT have a ticket to watch the show, they will be directed to a pre-determined location until after the contestants are chosen (approx. 20 min after the show starts). All of the contestants for the show are chosen at random as soon as registration closes (when the show begins). The names of all eligible registrants will be weighted equally, that is, no advantage shall be given to individuals who purchased a ticket over individuals that did not. If an individual who did not purchase a ticket is selected as a contestant, that person will be escorted to an open seat in the venue. Individuals who did not purchase a ticket and were not selected will need to leave the theater after the random drawing or purchase a ticket to get into the show (if available).
